4 Candle Magic and Spells

Pet Protection Spell

This spell keeps your pet protected from illnesses, accidents, etc. For this spell, gather the following items:

One charm to add to the pet's collar - This may be a rose quartz, crystals, amulets with sacred words on them, etc.

One candle that is in the shape of your pet

If you are good at making candles, you may be able to carve a big candle into the shape of your pet.

Make protection oil by grinding Cinnamon, Galangal root, dried peppermint leaves, ground vervain, dried ground vetiver and dried rue to a base of olive oil.

Carve the candle with personal information about your pet. You may also add protective symbols and words to keep your pet safe at all times.

Anoint the candle with the protection oil and burn.

Black Devil Banishing Spell

If there is someone in your life that is violent, uncontrollable and a nuisance, you may try to get rid of him (or her) with this spell. Get a black devil banishing candle from a store.

Make Banishing oil by adding crushed garlic and pine needles to Olive oil and placing it in the sun for a day. Before using, strain this oil through cheesecloth.

Cast your circle and sit down holding the Black Devil candle with both hands. Slowly dress the candle with the Banishing oil while you visualize a peaceful and happy house. Allow the candle to burn.

San Cipriano Candle Spell

This spell helps get rid of someone who is harassing you for no reason.

Get some San Cipriano Oil. Carve a candle to represent the person who is tormenting you. The color of the candle also may be chosen accordingly. If you are looking for justice, a brown candle may be used. Purple candles bring power to us while white candles may be used when we want to push our intentions into the candle anyway.

Sit down by the altar and dress the candle with the San Cipriano Oil. Visualize the peace that fills your home when the harasser is far away from you and will not bother you in your future. Burn the candle while you sit in meditation.

Orange Candle Employment Spell

There are few people who have not had to worry about getting a new job. One way to find that job that is your perfect fit is to work this spell. For this spell, you will need the following items:

- 1 orange candle
- Your resume
- Honey
- Magnetic sand
- Van Van oil
- Gold sparkles

On a new Moon day, write a description of your dream job on the reverse of your resume. Take the time to describe your aspirations, your work space, co-workers, manager, salary, etc. When you have completed your intentions, brush the resume with honey and sprinkle some magnetic sand over it. Now fold the resume nine times.

Dress the orange candle with Van Van oil and visualize your future the best way it can be, Roll the candle in sparkles, place it on top of the resume and burn.
