Three Free Beginner Magic Spells

Knot Magick

Knotting is an ancient form of a binding spell. In a knotting spell, you have to take charged and focus your energy with each knot. Knot magick is usually used for love, healing, wealth and weather spells.

We need the following for this knot magick spell

A piece of red yarn/cord made out of a natural material such as hemp, cotton or silk.

A small handkerchief made of cotton or silk

A box in which you can place the cord after knotting.

To do the knot magick spell, you have to first get a piece of long red yarn or cord. It must be made of natural material such as silk, cotton or hemp. With each knot, you have to focus on the desire and tie nine knots on the cord, chanting as follows:

By knot of one, the spell's begun
By knot of two, my spell comes true
By knot of three, so mote it be
By knot of four, power I store
By knot of five, my magic is alive
By knot of this spell I fix
By knot of seven, this spell I leaven
By knot of eight, it is fate
By knot of nine, what's wished is mine!

Hold the knotted cord in your palms and intensely visualize the outcome of the spell. Now store this knotted cord in a piece of cotton or silk fabric and place it in a magick box in a safe, undisturbed location.

Rotten Apple Banishing spell

1 mint leaf

One piece of paper and a pen to write with

1 satin ribbon (a used ribbon is okay)

Rub one half of the apple with a mint leaf and focus on the addiction or bad habit that you need to get rid of. Write your problem on a slip of paper. Put the two halves of the apple together again with the paper in between them.
