“Learning The Truth” Spell

Magick can bring you the answer to any question you have – especially questions that (when answered) will reveal the truth.

The first of the easy witchcraft spells I am going to show you is a bit more advanced. It is still Intermediate level Magick, but more advanced than others I have revealed.

Not only did I want to give you a highly effective spell for learning the truth, but I wanted to show you what is involved with spells that are a bit more advanced.

Also, this is a good spell to show you, because no harm can come from using it. (even if you are a complete Magick beginner)

Follow the steps carefully, and with your full focus on finding out the truth about your question or problem. This is still an easy spell, but for it to work you must believe that you will discover the truth, and will it to be so while you do this spell.

Here is the spell...

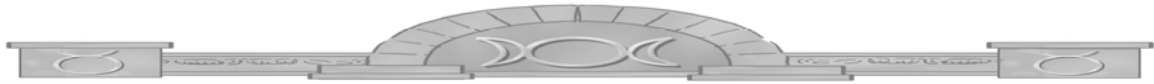

Step 1:

In addition to the items already on your altar, you will need to setup (toward the back of your altar) the following:

- A candle on the left to represent the Goddess (or your female deity)
- A candle on the right to represent the God (or your male deity)
- A censure between them with a blend of money drawing incense
- And a candle to represent yourself, or the one for whom you are trying to find the truth for.
- In addition, you will use other candles for this spell. Here is the layout your altar should have (feel free to keep or include your normal items as well):

Goddess Candle Censure God Candle
White Candle 1
Petitioner's Candle

White Candle 2 White Candle 3

Step 2:

Light God and Goddess candles, and then light incense. Think hard on the subject about which you wish to learn the truth.

Step 3:

Light petitioner's candle, thinking of the petitioner and saying:

"This candle I light to represent (name).
It burns as does his/her spirit. It is him/her in all things."

Step 4:

Light the white candles in order, saying:

"These are the symbols of truth.
They are enjoined about (name)
And to him/her show all truth."

Then say:

"As I rode in the night 'cross the brown heath bare,
In the bright moon's light saw a castle fair;
Lords and ladies, great and small,
Were crowding in, 'twas a festival;
Grasses in the wind were waving.
They bade me welcome and in I went
To drink their wine to my heart's content.
I danced and laughed with ladies fair.
Ne'er in my life had I such a cheer;
Grasses in the wind are waving.
Then all at once there came a cry:
Haro by yaro! Asleep fell I,
While a lady dancing at my side
Seemed like a lizard away to glide;
Grasses in the wind are waving.
I woke in the early light of day,
In an olden ruin I did lay,
O'er the rock and into the sun
I saw a green-gold lizard run!
Grasses in the wind are waving.
Now the truth I know and it stays with me,

For I have seen what I did see,
All secret knowledge came to mind,
Borne on the laughter of the other kind;
Grasses in the wind are waving.”

Step 5:

Sit then in quiet contemplation for half an hour. In this time the truth of the subject in question will come to you. Extinguish the candles.

”Rose Ariadne’s Original, Confident Beauty Spell”

Here is the spell, and it works best when done in the light of a full moon...

1. You'll need a small hand mirror, the items you normally have on your altar, an extra handle of your favorite color (representing yourself), and a small charm or figurine that you find beautiful (it represents your attractiveness and beauty, both inside and out).
2. Create your sacred spaces, cleanse your area, cast your circle, and all of the other things laid out for you in the Mystical World Of Ancient Witchcraft.
3. Light your deity candles, and as you sit in the light of the candles (and the full moon) begin by looking at yourself in the mirror. As you are gazing at yourself, focus on all of the positive features you have... don't let ANY negative thoughts enter your mind. Look at your skin, your nose, your mouth, your eyes...acknowledge each part of your face and recognize how unique and special each part is. You came from the earth, you know, and the earth is truly beautiful – how could you be any less?
4. Now, as you continue looking into the mirror, say:

“I recognize myself, Rose Ariadne (or whatever your name is), as being a unique and beautiful person from the tips of my toes to the top of my head – and everywhere inside.”
5. Hold the mirror in your left hand, as you light YOUR candle. Place the charm next to the candle, at it's base.

6. Tilt the mirror so that you can see your candle, and the charm in it's reflection.
Now say :

“This candle represents me, Rose Ariadne (or whatever your name is). And this charm is my beauty on inside and out, that nobody lays claim to but me. For I am unique and special. As I see both of them in this mirror of light, so they are both a part of me. Myself, forever together with my beauty. No words will change it, no thought disband it. And so it is. So mote it be!”

7. Blow out your candles, open your circle, and put things away... all the while think about the spell you just cast, and the feeling of confidence that has welled up inside of you. Focus on that feeling, remember how it feels, and make a promise to yourself not to let it go... but if you ever falter, and negativity takes hold in you again – this ritual will always be there for you to instantly rebuild your confidence...
